

## Ajax Management Platinum Sponsor for the 3<sup>rd</sup> Annual Trenton YMCA Y5K

### **TRENTON Y5K** 3RD ANNUAL • 2015

Trenton YMCA raised \$85,000 for Educational services provided to children

October 3<sup>rd</sup>, 2015 – Trenton, NJ – The Trenton YMCA held its 3<sup>rd</sup> annual Trenton Y5K. Saturday's event took place entirely within the City of Trenton starting and finishing on Hamilton Avenue near the Sun National Bank Center. The five-kilometer racecourse took runners down South Broad Street and up Market Street into the Downtown area past the Old Barracks Museum and Trenton City Hall.

Despite rainy weather, Hurricane Joaquin's presence didn't dampen the race/walk. The community outcome resulted in a fun morning. WPST, 94.5FM, provided music to pump up the crowd from start to finish.

The YMCA raised \$85,000 through registration and sponsorships. The money raised will subsidize services that Trenton's YMCA provides to children. YMCA of Trenton has 100 children in its afterschool program and 90 percent of them are enrolled through the aid of subsidies.

"We were excited to host the Y5K for our third year. The last couple years proved to be a great success and we were happy to welcome even greater participation this year. It was possible for people of all ages to participate in this event, raise awareness on healthy living and support the great work we do at the Y," said Daniel Brenna, Chairman of the Board for the YMCA of Trenton.

Ajax Management is widely involved with the YMCA and is proud to have served the community of Trenton through the Y5K. They hope to remain involved throughout the future and bring more events to the area. The involvement of community and local businesses will help improve the City's outreach to its education and future as a supportive structure.

Ajax Management would like to convey their thanks to the participants and the community for being able to foster a sense of belonging amongst the crowd. Thank you for your donations and for making the event a success.
